2025 PRINT PARTNERSHIPS—Extend Your Reach

Special Options

Fortune favors the bold! Get creative with premium ad placements, and wow your audience with impressive options featuring gatefolds, fold-outs, posters, sticky notes and more. Budget-conscious bundles enable smaller companies to show off their wares to our engaged audience.

Covers and Premium Positions

Help your customers find your ad in the same position every month by selecting a premium spot next to related editorial or on one of the three cover slots. All covers and paid front-of-book positions are sold on a contracted, full-page, every issue basis.

Canceled contracts are subject to a \$1,500 unfulfilled contract insertion short rate in addition to any normal short rate for space. Publisher will try to accommodate back-of-book paid specific position requests when possible, space permitting. However, no specific promise can be made without a firm front-of-book commitment.

Supplied Inserts

Frequency: Each supplied insert is considered as one insertion (regardless of number of pages in insert) for regular rate frequency discounts. A single page printed on both sides is counted as two pages. Rates include space and production costs.

Supplied Insert Rates

2-4 pages	\$6,600 per page/net
6-8 pages	\$6,200 per page/net
8+ pages	Consult publisher

Marketplace Rates

1-3x per year	\$1,800 each
4-6x per year	\$1,600 each
7x or more per year	\$1,500 each

Marketplace

Our product showcase presents up to eight ad units per page in a special section of the magazine every month. Marketplace ad units are priced net (based on a 12-month contract period). **ELECTRICAL CONTRACTOR** reserves the right to edit advertiser copy.

Magazine App/Digital Edition

Our **ELECTRICAL CONTRACTOR** mobile app enables readers to see every page, including advertising, digitally on a tablet, smartphone or web browser. Consider the digital edition as value-added bonus readership for any print advertising purchase.

Print & Web Bundles

Use these print and web advertising packages to reach our 80,000+ print subscribers while also engaging with our loyal online following. All bundles come with a listing in the advertiser index and ad readership studied by Baxter Research (in applicable issues).

Lead Generation

Webinars

Your program—our audience. Want to reach customers all over the country for training while generating leads? We'll bring our audience of engaged electrical contracting professionals to you.

Your industry leaders and topic experts spark the discussion, and you receive a full menu of pre- and post-event promotion, access to registration lists, a prominent placement on our website, and recognition that the show is being put on by you.

Prepare a topic and provide speakers from your company, and we'll take it from there, broadcasting your educational content to our audience.

White Papers

Selected "White Papers/Case Studies," unavailable in our print versions, can be hosted on our site with a lead-generation form. Topics must be of general industry interest and informational value. While corporate or product mentions within the paper are certainly acceptable, overt "advertorials" are not. Final content is subject to publisher review.

MARKET AND READERSHIP RESEARCH

Subscriber Research Panel Studies

Want to know what our readers think? Use our Subscriber Research Panel to conduct proprietary online custom studies, proof-of-concept product testing, marketing message testing, focus groups and polls. Since 2016, our panel of **ELECTRICAL CONTRACTOR** subscribers has grown to more than 1,400 contractors available to respond to your research queries.

[Contact publisher Andrea Klee for more information.](#)

The Profile of the Electrical Contractor Research Study

Every two years, the magazine's benchmark research study—the Profile of the Electrical Contractor—takes the temperature of the electrical construction industry. The Profile provides insights about the individuals we serve and the work electrical contractors do, which helps shape our content and helps our readers and advertisers better understand the changing roles of ECs.

Baxter Research Center Readership Studies

In February, July, September and December, paid print advertisers can participate in the Baxter Research Corp. study free of charge. Baxter's detailed report measures the effectiveness of your ad (excluding value-added content) in that issue among readers and against competitors. We have a competitive reader preference study challenge.

ADVERTISING STANDARD TERMS AND CONDITIONS

The advertising client and its advertising agency or media buying service (“Agency”), and/or other client representative (collectively, “Advertiser”) and the National Electrical Contractors Association, through its magazine, Electrical Contractor, its subsidiaries and affiliates (collectively, “ECMAG”) hereby agree that the insertion order, agreement, or other contract by which ECMAG creates, displays and/or broadcasts advertising content or material for Advertiser (the “Advertisement”) is expressly subject to the following Terms and Conditions except to the extent that Advertiser and ECMAG otherwise agree in writing.

- 1. Nondiscrimination.** ECMAG does not discriminate in its advertising contracts, and it will not accept advertising intended to discriminate on the basis of race or ethnicity, sexual orientation or any other prohibited basis. Advertiser hereto affirms that nothing in its advertisements is intended to discriminate in this manner.
- 2. Invoices and Payment.** Payment by Advertiser is due within 30 days after Advertiser’s receipt of invoice. If any amount is not paid when due, such amount shall bear interest at the maximum amount permitted by law. Advertiser agrees to pay all collection agency fees and expenses, and other cost of collection including reasonable attorneys’ fees and court costs, as well any taxes that are imposed on Advertiser’s advertisements under these terms and conditions. If Advertiser is using an Agency in connection with any advertising, ECMAG allows advertising agencies a commission of 15% on gross billing for space, color and position charges. Agency discount cannot be used in conjunction with any other discount or promotion, such as premier partner, ambassador or affiliate discounts. Supplied inserts are priced net. Agency commission is not allowed on mechanical charges such as special binding, tipping, special printer charges or handling. ECMAG reserves the right to notify the Advertiser if its agency is 90 days or more delinquent and will hold Advertiser responsible for any promised agency payments. NECA show exhibitors may be denied booth setup privileges unless accounts 90 days or more delinquent are settled.
- 3. Rate Protection.** All 2025 print advertising contracts received at ECMAG by Dec. 31, 2024, will be rate-protected at prevailing 2024 publishing rates for all insertions covered under current agreement. Unfulfilled contracts will be short-rated to earned frequency.
- 4. Advertising Materials Specifications and Deadlines.** Advertiser provides all materials as electronic high-res, print-ready PDFs at its expense that meet printer’s specs in unzipped format to ecmagbusiness@necanet.
- 5. File Specs.** See trim size chart attached and incorporated by reference as Exhibit A. Files should be built according to final trim size with bleeds on all four sides extending 0.125 inch beyond trim. All live matter or type should be at least 0.25 inch inside the final trims. Files must be ready for high-resolution output, at least 300 dpi, with no low-resolution images. PDFs should be PDF/X-1a or higher. All fonts used to produce the PDF must be 100% embedded in the PDF. Please convert all colors to CMYK process before creating PDFs. Our system will convert RGB to CMYK, but the result might be different than expected. Our email client does not accept .zip formats, so please do not zip your files to compress them. Please send files to ecmagbusiness@necanet.
- 6. Ownership and Rights.** ECMAG owns all right, title and interest (including, without limitation, copyright rights) in and to all advertising material and other content that is furnished and/or produced by ECMAG hereunder. Advertiser will not reproduce, use, or authorize any reproduction or use of any such material without ECMAG’s prior written consent. ECMAG owns all right, title and interest in and to any user or usage data or information collected via or related to any of the Advertisements or ECMAG’s content. Advertiser has no rights to any such information by virtue of these terms and conditions. In providing content to ECMAG, Advertiser irrevocably grants ECMAG a nonexclusive, royalty-free license to use, distribute, and sublicense such content on any publication or media owned by ECMAG, as selected by Advertiser. Advertiser represents and warrants that it controls all necessary reproduction, performance and/or synchronization rights to the content furnished by Advertiser to ECMAG and ECMAG’s use of the content does not violate any third party’s rights.
- 7. Termination and Disputes.** ECMAG may terminate the relationship with Advertiser at any time upon notice to Advertiser if Advertiser breaches any provision of these terms and conditions or for convenience. Any such termination will not release the Advertiser from its obligation to pay amounts owed hereunder, which amounts will become immediately due. Any dispute by Advertiser with any service or invoice provided by ECMAG shall be reported to ECMAG in writing within 30 days from the date of invoice relating to the same, time being of the essence (but any such dispute shall not affect Advertiser’s obligation to make payment within 30 days). Failure to report any such dispute within such time shall constitute a waiver of any claim by Advertiser with respect to such dispute. A waiver by ECMAG of any term, condition or agreements to be performed by Advertiser or any breach thereof shall not be construed to be a waiver of any succeeding breach thereof or of any other term, condition or agreement herein contained. No change, waiver, or discharge hereof shall be valid unless signed by an authorized representative of ECMAG. All disputes shall be governed by and construed in accordance with the laws of the State of Maryland and Advertiser hereby consents to the exclusive jurisdiction of the federal and state courts located in the State of Maryland.
- 8. Indemnification.** Advertiser agrees to indemnify and hold harmless ECMAG and its officers, directors, shareholders, employees, licensees and assigns against all liability resulting from or relating to the use of content furnished by Advertiser or otherwise incurred in connection with any breach of these terms and conditions by Advertiser.
- 9. Disclaimer of Warranties and Limitation of Liability.** ECMAG makes no warranties express or implied including any implied warranty of merchantability or fitness for a particular purpose or any warranty that advertisements will run free from error. In no event will ECMAG be liable to Advertiser for any loss, damage, or expense directly or indirectly caused by or arising from any actual or alleged breach by ECMAG of these terms and conditions or otherwise. The aggregate limits of liability of ECMAG for any damages is limited to the amounts paid to ECMAG by Advertiser as of the date or any alleged breach or injury.
- 10. Force Majeure.** Neither party shall be liable for any delays or losses due to a party’s failure to perform its obligations hereunder if such failure is caused by events or circumstances beyond its reasonable control, including but not limited to, acts of God, war, riot, governmental action, epidemic or pandemic, fire or flood, strikes or threat of strikes, acts and/or terrorist threats.
- 11. Miscellaneous.** Advertiser may not assign or transfer any of its rights or obligations. These terms and conditions may not be changed, modified, or amended except in writing signed by both Advertiser and ECMAG. No course of prior dealing or usage of trade shall be relevant to amend or interpret these terms and conditions.
